The Recliner Rockers' history begins in 2005 when Al and Geoff were playing together in a covers band and started talking about their love of Rockabilly and other roots music. Creating a vehicle to perform these styles was a logical step. Rockabilly and blues played a big part in the new band which was initially called Sharp Dressed Men. They decided early on that originals would be an essential part of the mix. After severe mangling of the Sharp Dressed Men moniker Recliner Rockers was hit upon as a better fit for the band. The first gig of note was the Beach Hop Festival in 06, where the venue they played was filled to capacity and people were being turned away from the door.

Don't fret the small stuff...

Where has this year gone? We have had such a great list of guests since February and a lot of fun trying a few new things, beginning the year with the Jam on the Cliff at Pt. Erin and BBQ, Bikes and Blues picnic at The Fort, Narrowneck, our usual weekly jams and a great range of guests at Club nights each month.

Special events, like the one this month with the Paul Ubana Jones at the Winchester,..... you missed a great performance.

We are looking forward to the next few months to Christmas with a few special guests still to come and don't forget the AGM, first Wednesday evening in December. It will be a great 2011 and some more live music to appreciate and to participate in.

Keep noodling!
