whippersnapper!

Easy-listening classic rock
from the 60s, 70s, 80s and 90s.

...is an assortment of starry-eyed musical misfits. Spurned by every wedding planner in the country for our refusal to play anything by Air Supply, and after the unfortunate incident in Alexandra, we are unleashing ourselves on Auckland.

But please do not be alarmed. Startle not the horses. We play covers of classic hits that everyone is guaranteed to half-remember, and that guy in Gore said we sounded just like his mate's band in Dublin, and they came second in Battle of the Bands.

whippersnapper!

Platinum Music Creations is proud to announce the opening of our new studio facility "The Mojo Room".

Our new studio facility "**The Mojo Room**" situated on the beautiful Hibiscus Coast, just 35 mins north of the Auckland Harbour bridge, {15 mins from Orewa} is a modest sized studio, perfect for the smaller project.

We offer full professionalism with 5 star attitude.

Platinum Music Creations is owned and operated by professional guitarist/producer Reg Keyworth. An ex-pat Kiwi, Reg has returned to New Zealand after being overseas for 22 years in the professional world of music in Australia, UK and the United States.
